TO: THE INITIATIVE COMMITTEE OF BULGARIAN ARCHITECTS
AGAINST THE APPROPRIATION OF THE
CREATIVE – ARCHITECTURAL COMPLEX “SANTO KIRIKO”
BULGARIA

Dear Colleagues,

We strongly support your initiative and fair desire to inform the society and put in evidence the truth about the Creative – Architectural complex “Santo Kiriko”, having in mind that until now were heard only the voice and the interpretations of the Plovdiv Bishopric, wide – spread and broadcasted in the Bulgarian public space.

We wish you success in your noble initiative.

Chairman of the Executive Board of UAB

(Architect Georgi Bakalov)
